

General

Available models	CA-Ent-32 = 32 cameras or recorder channels CA-Ent-64 = 64 cameras or recorder channels
Mount	1U 19" rack mount
Dimensions	480(w) x 230(d) x 45(h) mm 18.09(w) x 9.06(d) x 1.77(h) inches
Weight	3.65kg / 8.05lbs
Operating temperature	0–40°C 32–113°F
Compliance	NDAA compliant
Power supply	4.2A @ 100-240V
Power consumption	30-50W
CPU	13th Gen Intel Core™ i3–13100 4.4 GHz (4 cores, 8 threads)
GPU	13th Gen Intel UHD Graphics
RAM	16GB DDR4
USB	4 x USB 3.0 2 x USB 2.0
HDMI	1 x HDMI port, up to 4K resolution, for local live viewing
Storage	1TB NVMe SSD for local video storage
Network interface	2 x Integrated Gigabit Ethernet If required, the following can be set for each network card <ul style="list-style-type: none"> – ipv4 address – Subnet mask – Gateway address – DNS servers
Network protocols	IPv4, IPv6, HTTP, HTTPS, RTSP, RTSPS, NTP

Video

Video formats	H.264 / H.265
Video resolution	Up to 4K
Frame rate	10fps
Stream type	Video and audio
Additional	Full cloud video specifications here

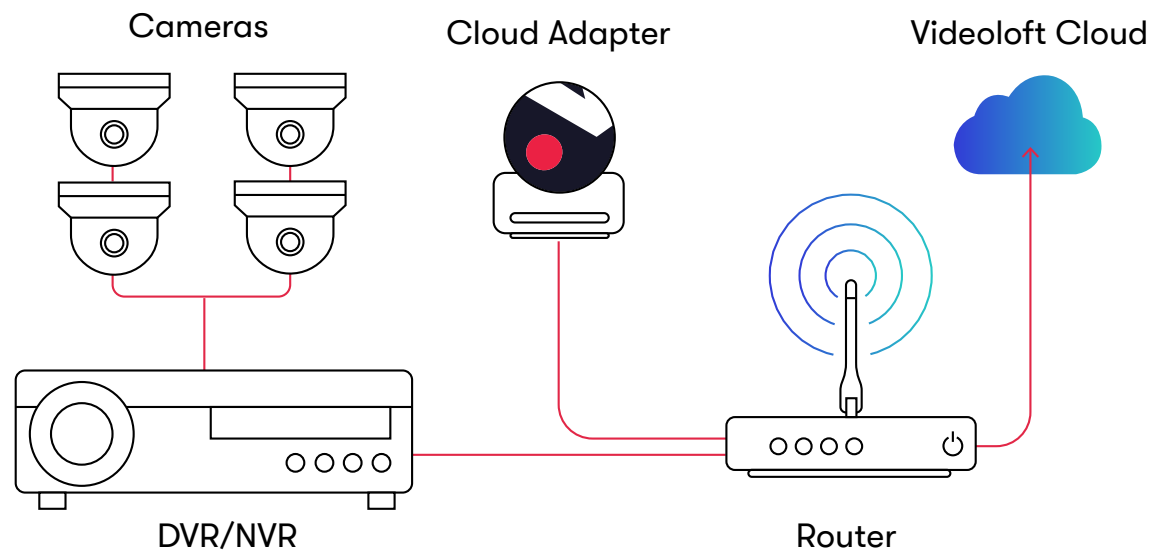

Physical interface

1	Power
2	12V DC power input
3, 4	LAN network interface
